2. Fill out registration form and click Register.

If you plan to share your login with others, consider the following:

- Put your laboratory name in the name fields
- Use an administrative email address
- Create a password that you will not mind sharing with others

Note: If you use your laboratory name when you register, it will appear at the top of each course page in the Welcome field.

3. Review registration information and edit if necessary. Click Confirm.

4. Hit Log In to return to Login screen
5 Log in using registered email address and password

6 Choose course(s) desired

7 Fill out credit card information

Notes:
- Make sure the city and zip correspond to card’s billing address, not the user’s or lab’s address.
- State/Province is not required.
