## INVITED LECTURES/ PRESENTATIONS

Johnson Memorial Hospital  
Grand Rounds "Current Concepts in Malignant Lymphomas"  
April 1984, Stafford Springs, CT

Massachusetts Association of Medical Technologists Annual Meeting,  
"Immunological Characterization of Hematopoietic Neoplasms"  
April 23, 1985, Springfield, Massachusetts

University of CT School of Medicine, Department of Medicine  
"Clinical Application of Flow Cytometry"  
April 28, 1986

Association of Clinical Scientists, 79th Annual Meeting,  
Demonstration - "Application of Flow Cytometry in the Clinical Laboratory"  
Plenary session - "Instrumentation for Cell Analysis and Sorting"  
Demonstration - "Immunocytometry and Monoclonal Antibodies in the Early Detection of  
Low Grade Lymphoproliferative Disorders"  
November 13-16, 1987 Atlanta, GA

Seminar on Thrombosis and Venous Thromboembolic Disease  
"Hemostasis, Thrombosis, and Hypercoagulability"  
Department of Surgery, Hartford Hospital  
November 21, 1987

3rd International Symposium on Technological Innovations in Laboratory Hematology  
"Complete Cell Analysis" (Sponsored by Coulter Electronics, Inc.)  
March 29, 1988, Banff, Alberta, Canada

Waterbury (CT) Hospital, Department of Surgery  
"Clinical Applications of Flow Cytometry and DNA Analysis"  
April 23, 1988

Association of Connecticut Tumor Registries Annual Meeting  
"Overview of Leukemias and Lymphomas"  
June 8, 1988, Hartford, CT

EPICS Users Meeting  
"Flow Cytometry in the Clinical Laboratory"  
Chairperson - Clinical Round Table Sessions  
June 14-15, 1988, New York, NY  
Am. Society of Clinical Pathologists/College of Am. Pathologists - Fall Meeting  
"Complete Cell Analysis: New Techniques and Applications" (Sponsored by Coulter Electronics, Inc)  
October 25, 1988, Las Vegas, Nevada

Rutgers, The State University of New Jersey  
UMDNJ/Robert Wood Johnson Medical School  
Center for Advanced Biotechnology and Medicine  
Workshop - Flow Cytometry, Fluorescence Activated Cell Sorting  
"Clinical Immunophenotyping of Lymphoproliferative Diseases"  
November 2, 1988, Piscataway, New Jersey

Association of Clinical Scientists, Seminar on Diagnostic Hematology  
"Flow Cytometric Immunophenotyping of Leukemias"  
November 12, 1988, Hartford, CT

Department of Medicine, Oncology Grand Rounds  
Rhode Island Hospital, Brown University  
"New Approaches to Diagnosis and Classification of Lymphoproliferative Disorders"  
February 7, 1989

Complete Cell Analysis: New Technologies and Applications  
Coulter Annual Symposium  
"Stat Cytometry: Complete Flow Cytometry Results in 30 Minutes"  
February 9, 1989, Ft. Lauderdale, Florida

Southeastern New England Society for Medical Technology  
Hematology Lecture Series, 1989  
March 16 - "New Hematology Instrumentation and Parameters"  
March 23 - "Current Concepts in Leukemias"  
April 6 - "Myelodysplastic Syndromes"  
April 20 - "Application of Flow Cytometry in Clinical Hematology"

4th International Symposium on Technological Innovations in Laboratory Hematology  
"Implementation of a Clinical Flow Cytometry Service: Practical Considerations"  
April 16-18, 1989, Banff, Alberta, Canada

Coulter Cytometry EPICS Users Meeting  
"Complete Cell Analysis - Getting the Most from Every Cell"  
May 1, 1989, Arlington, Virginia

Slayton (MN) High School, 1989 Commencement Exercises  
Commencement address - "Success"  
May 28, 1989

American Society of Medical Technologists Annual Meeting  
Workshop - "Clinical Applications of New Technologies (including Flow Cytometry)  
To Hematologic, Immunologic, and Neoplastic Disorders"  
June 29, 1989, Washington, DC

Complete Cell Analysis Symposium (Sponsored by Coulter Electronics, Inc.)  
"Complete Cell Analysis"  
"Laboratory Evaluation of the Coulter VCS; VCS Case Studies"  
Sept. 26-27, 1989, Birmingham, England

Complete Cell Analysis Symposium (Sponsored by Coulter Electronics, Inc.)  
"Complete Cell Analysis"  
October 3, 1989, Brussels, Belgium

Complete Cell Analysis Symposium (Sponsored by Coulter Electronics, Inc.)  
"Flow Cytometry: Principles and Applications"  
November 7, 1989, Montreal, CN

New England Cancer Society 100th Meeting  
Breast Cancer Symposium  
"Clinical Relevance of Flow Cytometry in Node Negative Breast Cancer"  
November 11, 1989, Newport, RI

Coulter Cytometry EPICS Users Meeting  
"Monoclonal Antibody Panels for Diagnosis"  
August 3, 1989, San Francisco, CA

5th International Symposium on Technological Innovations in Laboratory Hematology  
"Obstacles, Challenges and Practical Aspects to the Establishment of a  
Diagnostic Flow Cytometry Lab in the Hospital Setting"  
October 12-16, 1990, Colorado Springs, CO

Am. Society of Clinical Pathologists/College of American Pathologists Spring Meeting  
ASCP Workshop #8047 "T & B Cells: Current Status and New Directions"  
March 3, 1991, Nashville, TN

Annual Berkshire Cancer Symposium: Diagnosis and Management of Colorectal Cancer  
Sponsored by Berkshire Area Health Education Center  
"New laboratory parameters in the diagnosis and management of colorectal carcinoma"  
April 19, 1991, Pittsfield, MA

Coulter Symposium: Today's Experiences and Tomorrow's Technologies  
"Applications of CCA: Practical Examples of B & T Cell Lymphoproliferative Disorders"  
Guest panelist - "Role of CCA in Contemporary Patient Care"  
May 7-8, 1991 Boston, MA

Symposio Coulter Analisis Celular Completo  
"Complete Cell Analysis" - Keynote speaker  
"Leukemia and Lymphoma Phenotyping"  
June 6-8, 1991, Caracas, Venezuela, SA

Hematology Symposium (Sponsored by MDS Laboratories)  
"New Technologies - Cell Markers/Flow Cytometry"  
June 14-15, 1991, Toronto, CN

Second Annual Berkshire Cancer Symposium  
Berkshire AHEC  
"New Technologies in Cancer Diagnosis and Prognosis"  
October 9, 1991, Pittsfield, MA

American Society of Medical Technologists Region I Seminar  
"Flow Cytometry: Cell Surface Markers, DNA Analysis, and More!"  
November 6, 1991, Cromwell, CT

Association of Clinical Scientists Applied Seminar: Six Major Advances in Lab Medicine  
"Flow Cytometry: Introduction and Overview"  
"Flow Cytometric Immunophenotyping of Lymphoid Cells"  
Workshop - "Whole Blood Immunofluorescent Staining - CD4 Enumeration"  
November 14-17, 1991, Jacksonville, FL

Medical/Surgical Grand Rounds - Kidney Stone Disease  
Berkshire Medical Center/Berkshire Area Health Education Center  
"Laboratory Aspects of Urinary Calculi"  
January 24, 1992

Medical/Surgical Grand Rounds  
Berkshire Medical Center/Berkshire Area Health Education Center  
"Inflammatory Bowel Disease"  
November 6, 1992

Massachusetts Society of Histotechnologists Annual Meeting  
"Flow Cytometry and the Histopathology Laboratory"  
June 11, 1993, Jiminy Peak, Hancock, MA

College of American Pathologists Leadership Conference  
"Speaking Before Groups" Workshop  
January 16, 1994, Miami, FL

ASCP/CAP Spring and Fall meetings

## **SPECIAL COURSES**

"Tutorial on Neoplastic Hematopathology"

University of Chicago

Henry Rappaport, M.D., Director

September 21-25, 1981

"Advanced Methods in Flow Cytometry and Cell Sorting"

University of Rochester, NY

October 13-16, 1983

"Annual Course in Flow Cytometry: Applications in Immunobiology and Cell Biology"

National Flow Cytometry Resource, Philadelphia, PA

May 6-11, 1984

"Current Concepts in Surgical Pathology"

Harvard Medical School/Massachusetts General Hospital

November 16-20, 1987

"Selected Topics in Surgical Pathology"

American Society of Clinical Pathologists

February 11-15, 1990, San Antonio, TX

"31st Annual Postgraduate Institute in Clinical Cytopathology"

Johns Hopkins University School of Medicine, Baltimore, MD

April 23 - May 4, 1990

"Clinical Computing in Patient Care"

Harvard Medical School, Boston, MA

Sept. 29-30, 1994

MA Medical Society Leadership Development Institute

Certificate—Foundations of Leadership

November, 2000-May, 2001

Health Leaders Program

Brandeis University

Heller School for Social Policy and Management

March 2009

"Crucial Conversations" Workshop & Training

Four Seasons Hotel, Chicago, IL

March 10, 2011
