Experience:

Owner and President, Mediexperts, LLC: April 2016-Present.

Senior Vice-President, Chief Medical Officer*: St. Mary's Hospital Kankakee- February 20th, 2017-Present.

Medical Director: St. Mary's Hospital Kankakee, Department of Pathology and Clinical Laboratory- February 2nd, 2015-Present.

Interim President: Ascension Saint Mary Kankakee- February 20th, 2024- March 10th, 2024.

Regional Chief Medical Officer: Ascension Saint Joseph Joliet and Saint Mary Kankakee, February 5th, 2021-January 26th, 2024.

CLIA Director: MJB Lab Services, Inc.-May 1st, 2021-Present.

IDPH Laboratories CLIA Consultant- September 1st, 2020-February 2021.

Physician Advisor, Utilization Management: Presence St. Mary's Hospital Kankakee- August 1st, 2016-April 2nd, 2017.

Medical Director: Franciscan Health St. James Hospital Olympia Fields, Department of Pathology and Clinical Laboratory - August 1st, 2008-January 31st, 2015.

Pathology Attending: July 1, 2003-Present.

- Surgical Pathology, Cytopathology, Molecular Pathology, Hematopathology, Informatics

Part-time autopsy coverage:

Advocate Christ Hospital, July 2001-June 2003

Obstetrical Anesthesiology Externship

UIC Hospital, May 1997-May 1998

Business Education: M.B.A., Western Governors University
Healthcare Management
Salt Lake City, UT Jan. 2014 – Dec. 2014

Post Graduate

Education: Northwestern Memorial Hospital
Anatomic and Clinical Pathology
Chicago, IL June 1998-June 2003

Education: M.D., University of Illinois College of Medicine
Chicago, IL Sept.1993-May 1998

B.S., Emory University, Major: Biology
Atlanta, GA Sept. 1991-May 1993

Certification: Anatomic and Clinical Pathology, board certified: July, 2003
Molecular Pathology, board eligible: April, 2005
Multidisciplinary Breast Pathology Advanced Practical Pathology
(MBP AP³), certified: June, 2016
CCDS, certified: February, 2025

Awards: Inspiration Award-AMA Women Physicians Section 2024
Champion for Change- The Pathologist Power List 2024
Trailblazer Award For Youth Empowerment And Mentorship-The
Pearl Foundation 2022
Physician of the Year- SMK 2020
Distinguished Patient Care Award- CAP 2018
Outstanding Medical Practitioner- HFAS 2017

***Chief Medical Officer:**

Physician contracts/medical group oversight recruitment and retention
Ascension National Quality and Safety Committee
Ascension Illinois Pathology and Laboratory Medicine Stewardship Advisory
Committee, Charter Member
Ascension Illinois Recognize and Rescue Steering Committee
Ascension Illinois Order Set Governance Workgroup
COVID-19 Command Center/Task Force Physician Lead

- COVID19 Clinician Testing Guidelines, author, May 2020
- Surgery Re-emergence Task Force
- OB Service Line Task Force
- Associate Vaccination Steering Committee

Ascension CORE Faculty, Certified November 2020
Quality Assurance

- Progressed from Leapfrog C to A 2019, 2024-2025
- Progressed from CMS 2-Star to 4-Star 2019-2025

Risk Management oversight

High Reliability Organization- Trained 2018

- Physician Satisfaction
- Physician Leadership

Healthcare Leadership Academy Presentation Judge 2019

Healthcare Leadership Academy Participant 2019-2020

- Panel Speaker- How to lead your boss

Amita Medical Staff Quality and Peer Review Steering Committee, member

- Chair, Amita FPPE/OPPE standardization committee
- Measuring Physician Competency Workgroup

Report to system networking board for physician credentialing approval

Health Outcomes Index

- Chair, Readmissions Task Force
- Discharge to 30-day outpatient follow-up initiative

Mortality-Decreased risk-adjusted mortality below target

CDI and Coding- Case review initiative

Formed Palliative Care/Hospice committee

Reinstated sepsis committee

- PSI-90
- Infectious Disease- PPE initiative
- Hospital acquired C. Diff- Educational article

Chair, Hospitalists Committee

Utilization Management

- Chair, Utilization Management Committee
- Observation Rates
- LOS/Excess Days initiatives

Chest Pain Stress Test Protocol

Outpatient in a bed initiative

Vice-President Finance- Medical Staff Physician Relations and Social Services

Clinical Documentation Improvement

Chair, Clinical Documentation Improvement Committee

- PDOC initiative

Medical Staff Quality Committee

- Developed algorithm for peer case reviews
- Improved process for determining FPPE necessity

Patient Safety Officer

Chair, Hospital Quality and Safety Committee

Employee health and wellness

- Walk with CMO, healthy eating lecture sponsor

Service Line Leadership

Surgery

- Negotiated transition from orthopedic co-management agreement to equity call pay model
- Orchestrated breast and plastic surgery collaboration with provider services agreement

Hospitalists

- LOS initiative

Oncology

- Executive Sponsor for NAPBC, accredited October 2019

ENT

- Recruitment and retention of ENT physician

Urology

- Recruitment and credentialing of urologist

Pathology

- COVID19 testing platforms implementation
- Decreased send out test utilization
- “Ask the pathologist” initiative to provide detailed explanation of pathology report to patients, employees and families.
- Coordinated Biotin effect on Troponin testing physician notification for all Amita sites
- Standardization of HS Troponin I order sets for all Amita sites
- Consultant for Amita Hospitals’ transition to Alverno Laboratories

Trauma

- Level II trauma status maintenance, recruitment of neurosurgeons, initiated Teleneurology

Palliative care

- Decreased LOS (met 2017 target 3.7)
- Decreased Mortality [exceeded 2018 target 0.7 (1.27 to 0.53)]
- Appropriate and timely Hospice consults
- Transitioned employed palliative care model to independent contractor model

**Pathology
Leadership
Experience:**

Ascension Saint Mary Kankakee, 2004-present

- Medical Director, Department of Pathology and Clinical Laboratory, February 2nd, 2015-present
- Chair: Hospital Quality and Safety Committee
- Member: System Clinical Leadership Council
- Member: APP compliance committee
- Member: Physician Leadership Advisory Council
- Member: Medical Executive Committee
- Member: Medical Staff Peer Review Committee
- Member: NAPBC BPL Committee
- Member: Alverno Pathology Council

Franciscan St. James Health - Olympia Fields, 2003-2015

- Medical Director, Department of Pathology and Clinical Laboratory, Aug 1st, 2008-Jan 31st, 2015
- Chair: Medical Staff Peer Review, 2014-2015
- Chair: House Based Physicians 2012-2013
- Chair-elect: House Based Physicians Department, Credentials Committee, Quality Improvement Committee, 2010- 2011
- Secretary, Transfusion Committee, 2012-2015
- Faculty appointment, Midwestern University College of Osteopathic Medicine, 2013-2015
- Franciscan St. James clinical operations group (COG).
- CCI Medical Directors Committee
- Cancer Committee
- Pathology and Laboratory Lecturer/Instructor: Medical students/residents/laboratory staff
- Franciscan St. James Marketing: Commercials, Articles
- Pathology rotation: GI Fellow teaching
- Surgery quality assurance sub-committee
- Oncology Clinical Trials R&D Committee
- Urologic Cancer Development Committee
- Oncotype DX: Created and presented information to physicians and coordinated ordering procedures
- Assisted planning of Breast cancer symposium

- Assisted Clinical Laboratory manager with Shandon Grosslab Pathology workstation
- Redesigned Specimen Adequacy and Intragroup Consultation worksheets
- Assisted with staging summary template for SoftPath
- Updated written gross examination by technicians policy and procedure
- Coordinator and primary presenter, Breast Conference
- Coordinator and primary presenter, Tumor Board
- Primary presenter, Morbidity and Mortality conference
- SJOF/SJCH standardization initiative
- Coordinated Quality Review for HER2 by FISH

Alverno Laboratories Pathology Council

- ABS Pathology Advisory Committee, 2021-Present
- President, March 1st, 2012 – February 28th, 2013
- Vice-President, March 1st, 2011- February 28th, 2012
- Hematology/Coagulation committee liaison, 2011-2013
- Member, 2006-Present

Informatics Committee Director, 2010- 2017

- fermi/eCC initiative for cancer case summaries
- Quality Assurance standardization
- Epic implementation oversight
- Coolscope virtual microscopy project
- Softpath Format and photograph project
- Alverno Core Lab telepathology project
- Practice website maintenance

Marketing Committee, 2004- 2017

- Secured ENT clinic and Urologist prostate business; coordinate procedures for service performance, maintenance of quality assurance to retain business.
- Reviewed PCI website improvements
- Created Physician Appreciation Survey
- Marketing Sponsorships: ACS Relay For Life, Jack and Jill of America, Inc. Foundation, Links Inc. Foundation, Tau Society (FHOF/FHCH)
- Newspaper Articles
 - What to know about swine flu- Southtown Star- May 1, 2009.
 - Guidelines ensure accurate test results for breast cancer- Southtown Star, May 4, 2008
- Client Education Articles
 - Breast and cervical cancer updates

- Update on prostate carcinoma diagnosis
- Microsatellite Instability Analysis in Colon Cancer

EGFR mutation detection by Chromavision in lung cancer

- Factor V Leiden Detection - Real Time PCR

Recruitment Committee, 2005-2012

- Secretary, follow-up on candidates, train new hires
- Assisted histology processing changes

Professional Societies:

College of American Pathologists (CAP)

- Governor, CAP Board of Governors 2020-present
