Laboratory Quality Solutions

Our PT/EQA resources are with you every
step of the way.

Now everything you need for proficiency testing and external quality assessment (PT/EQA) is all in one place. With the CAP's new **PT/EQA resources**, you can:

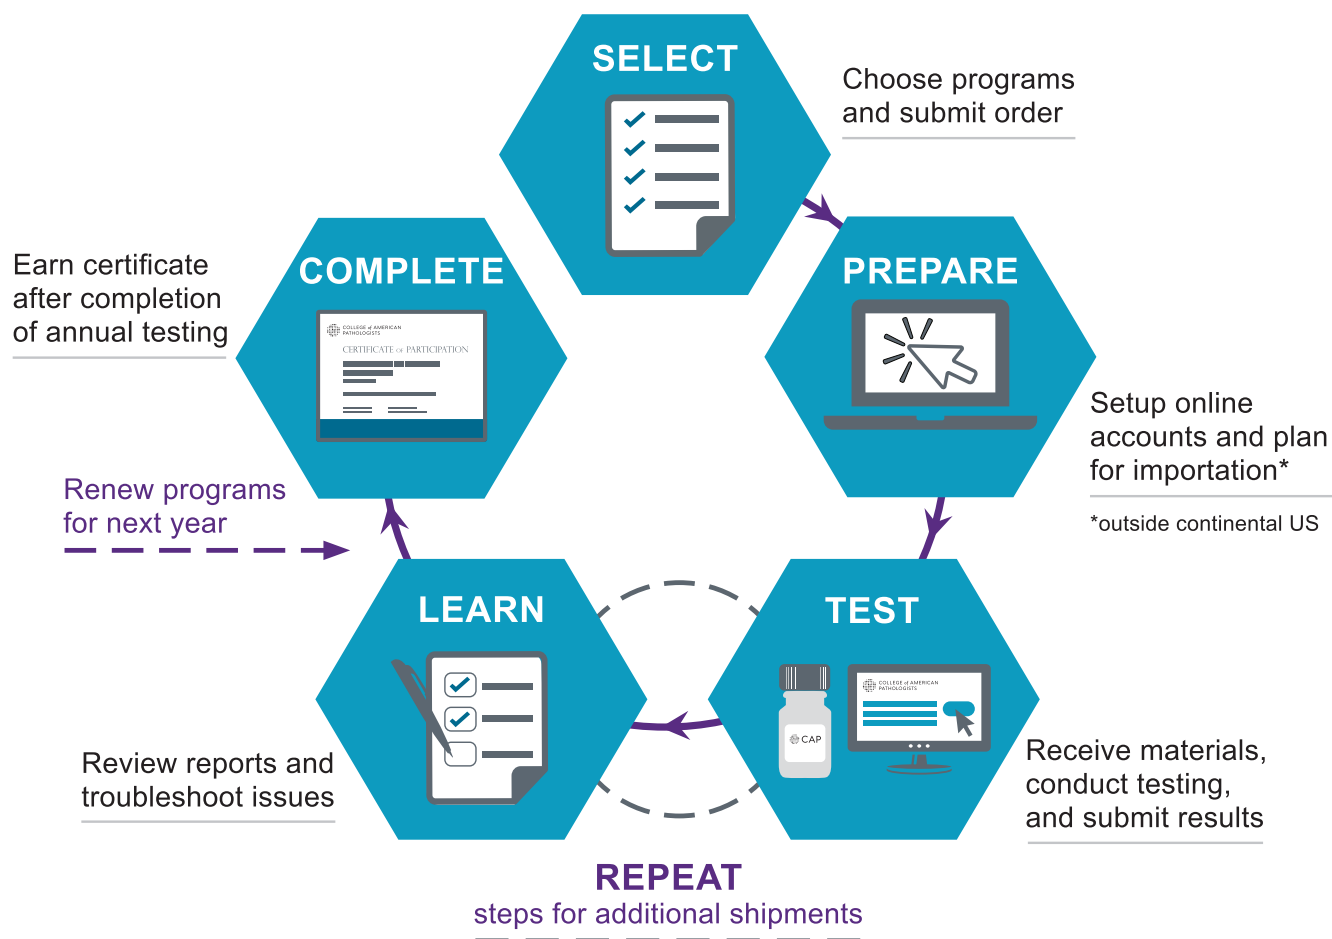

- Learn the basics of the process and how to get started in our customer portal, e-LAB Solutions Suite.
- Find detailed information in our updated manual.
- Understand how to get the most out of your evaluations and participant summary reports.
- Read frequently asked questions (FAQs) pertaining to performance and interpretation.

It's a great place to continue your quality journey.

Explore all the
CAP's PT/EQA resources at cap.org.

Use our new PT/EQA resources every step of the way.

SELECT Find everything you need to select and order programs, including our Surveys Catalog and Online Store.

PREPARE Get ready to test when your kit arrives. Check our Current Shipping Calendar to see when your first program is scheduled to go out, then visit our Quick Guide for e-LAB Solutions Suite to see how to grant your staff the permissions they need to enter results.

TEST Learn how to run PT/EQA by viewing our Kit Instructions and Result Form Resource plus the FAQs.

LEARN Get the full benefit of your data. See our Proficiency Testing Participant Summary and Evaluation Resource, with an overview of the type of information provided in reports. Check the Troubleshooting Guide to learn how to identify trends and perform corrective actions.

COMPLETE Discover how the Performance Analytics Dashboard provides a comprehensive view of your laboratory's PT/EQA performance. You can even benchmark your performance with peers.
