

Residents Forum Executive Committee  
Elections

## Candidate for Digital Strategy Liaison

### Mitul B. Modi, MD

Pennsylvania Hospital of University of Pennsylvania  
Health System  
Philadelphia, PA

When are you taking your boards? – 2021

#### CAP Experience:

Activity	Position	Years of Service
Residents Forum	Delegate	6/14/2019 – 4/30/2021

#### How did you become interested in serving on the RFEC?

RFEC has been one of the important pillars to pioneer changes and uproot the career development, advancement and wellbeing of the residents in pathology community.

I heard from my friends about this great opportunity and that is how I become interested in serving on RFEC.

#### What do you hope to accomplish during your time, if elected?

By serving as RFEC member, I want to ensure the wellbeing of residents in pathology community and spread the awareness of the what pathologist, as a physician do and how important that is for patient care.

#### Please convey your understanding of the role of a RFEC member and their responsibility to the Residents Forum and the College of American Pathologists.

As an application for the nominee for the Digital Strategy Liaison, I have known that CAP digital strategy team supports the use of digital and social media. I myself have been a very active member on social medias and learned a lot of pathology and other current medical issues and situations. I also have written a chapter in pathpresenter, the largest online pathology web-based platform which supports the artificial intelligence too. While writing the chapter, I experienced the innovations, the digital pathology can bring into field of pathology and how far globally we can reach out to the audience around the world. That fascinates me the most, an ability to share the knowledge across the globe while still physically being in the same part of the world is exciting. I am also a true believer of supporting the digital media use while sharing your knowledge, ideas and spreading awareness among the residents and pathologist's community. I want to do that more efficiently as a digital strategy liaison.

**Please address the time commitment for the office in which you are interested and your ability to fulfill it.**

Yes, I am a senior resident now and i can accommodate travel commitments and other responsibilities as a part of RFEC member and a Digital Strategy Liaison.

**What talents and skills do you bring to the RFEC that you believe would benefit the Residents Forum?**

My friends have identified me to be a people's person. With hardworking nature, relentless perseverance, and excellent communication connectivity, I can serve to the best of my abilities, if I am considered.

**What else should the Residents Forum know about you?**

I truly believe digital pathology has the potentials to reach the milestones and all around the globe. I do things which I believe in and for the same reason I want to contribute as a digital strategy liaison. Furthermore, I also want to help the residents, and also want to emphasize the importance of pathologist's community.

## MITUL B. MODI, MBBS, MD

3611 Powelton Ave, Philadelphia, PA

(248) 839-7383 | [mitul.modi@pennmedicine.upenn.edu](mailto:mitul.modi@pennmedicine.upenn.edu)

---

### EDUCATION AND TRAINING

#### Pennsylvania Hospital of University of Pennsylvania Health System

Jul 2017 - Jun 2021

Resident Physician, Anatomic and Clinical Pathology, Philadelphia, PA

#### Gujarat Cancer & Research Institute, B. J. Medical College, Gujarat University, India

Jul 2013 - Jun 2016

Doctor of Medicine (M.D.), Pathology

#### B.J. Medical College, Gujarat University, Ahmedabad, India

Jul 2006 - Mar 2012

Bachelor of Medicine; Bachelor of Surgery (M.B.B.S.)

Compulsory Rotating Residential Internship for one year at Civil Hospital, Ahmedabad, India

---

### LICENSURE & CERTIFICATIONS

#### Licenses

Commonwealth of Pennsylvania, Trainee Medical license

# MT214428

Jul 2017 - Jun 2020

---

## HONORS AND AWARDS

---

**Dermatopathology Trainee World Cup** Feb 2019

Platform presentation on “Isolated primary vaginal chloroma without any hematological malignancy- a rare entity with unique presentation”

International Society for Dermatopathology (**ISDP**)’s Annual Meeting 2019, Arlington, VA

**PAH’s Annual Spotlight on Scholars** Aug 2019

Selected for recognition event of the best scholars who published manuscripts, book chapters, presented at podium and or posters at conferences

Pennsylvania Hospital (**PAH**) Portrait Gallery, Pennsylvania Hospital, Philadelphia, PA

**IACA Travelling Fellowship Program** Jun 2017

Selected candidate as a part of the program for bringing cancer specialists from the Indian subcontinent to the United States for focused medical training (observership)

By Indo American Cancer Association (**IACA**)

**Best abstracts (top 8) selected for platform presentation** Sep 2017

Finalist in the oral abstract competition for “Pregnancy Outcomes In Chronic Myeloid Leukemia (CML): A Single Centre Experience”

American Society for Clinical Pathologists (**ASCP**) ‘s Annual Meeting 2017, Chicago, IL

**Finalist for the Best Education Practice Poster Award Competition** Sep 2016

For “Severe persistent marrow aplasia in chronic myeloid leukemia (CML): An unusual complication of Imatinib”

American Society for Clinical Pathology (**ASCP**) ‘s Annual Meeting 2016, Las Vegas, NV

**Young Medical Professional of the Year** Apr 2016

For Outstanding contribution for organizing cancer prevention/awareness camps and blood donation camps across Gujarat state

By Jain Chambers International (**JCI**), Gujarat, India

**CSIR Program on Youth for Leadership in Science Award** Nov 2004

For securing a rank in **first 75 rank holders** in 2004 GSEB (Gujarat Secondary Education Board- 12<sup>th</sup> std.) examination

By Central Salt and Marine Chemicals Research Institute (**CSRI**), India

---

---

## PREVIOUS PROFESSIONAL APPOINTMENTS

---

<b>Consultant Physician: Research (Part time)</b>	Dec 2012 – Jul 2013
Clantha Research Limited, Ahmedabad, Gujarat, India	
<b>Resident Physician, Department of Medicine</b>	Dec 2012- May 2013
Sola Civil Hospital, Gujarat University, GMERS Medical College, Ahmedabad, India	

---

## OTHER VOLUNTARY ACTIVITIES & SUBSPECIALITY INTEREST ACTIVITIES

---

<b>Elective rotation in Dermatopathology</b>	Aug 2019
Supervising Physician: Rajendra Singh, MD at Department of Pathology at Mt. Sinai School of Medicine, New York, NY (paperwork in progress)	
<b>New York Dermatopathology Update Symposium (DermopathPRO)</b>	Jun 2019

Update on Melanocytic Proliferations, Adnexal Tumors, Soft Tissue Neoplasms and Inflammatory

Dermatoses by a highly distinguished International faculty

New York, NY

**Elective rotation in Dermatopathology**

May, 2019

Supervising Physician: Tammie Ferringer, MD at Department of Dermatology at Geisinger Medical Center, Danville, PA

**Visiting scholar, Department of Pathology and Laboratory Medicine**

Jan 2017

Rhode Island Hospital, Brown University, Providence, RI

**Observer, Department of Pathology and Laboratory Medicine**

Oct 2016

Mount Sinai St. Luke's Hospital, New York, NY

**International Visiting Fellow, Department of Hematopathology**

Aug 2016- Sep 2016

University of Texas MD Anderson Cancer Center, Houston, TX

**Visiting Scholar, Department of Pathology and Laboratory Medicine**

Jul 2016

Hospital of University of Pennsylvania, Philadelphia, PA

**Observer, Department of Pathology and Laboratory Medicine**

Jun 2016

Henry Ford Hospital, Wayne State University Detroit, MI

**Consultant Physician at Indian Red Cross society (IRC)**

Sep 2014-Feb 2015

Teach & supervise fellow staff, doctors and technicians about, techniques and preparation for blood donation during blood donation camps

Ahmedabad, India

---

**MEMBERSHIPS IN PROFESSIONAL AND SCIENTIFIC SOCIETIES**

---

**National Societies:**

United States and Canadian Academy for Pathology Meeting (USCAP)

Dec 2017 - present

College of American Pathologists (CAP)

May 2019 onwards

American Society for Clinical Pathology (ASCP)

Jul 2017 - present

Indian Association of Pathologists & Microbiologists (IAPM)

May 2016 - present

Indian Medical Association (IMA)

Apr 2016 – present

**Local / Regional Societies:**

Philadelphia Society of Pathology Jul 2017-present

**Editorial Positions:**

Editorial Board Member, Journal of Clinical & Anatomic Pathology 2017-present

Associate Editor, International Clinical Pathology journal 2017-present

Editorial Board Member, NESSA Journal of Infectious Disease and Immunology 2017-present

**Reviewer Positions:**

Journal of Clinical Diagnostics & Research 2017-present

**Committees at Pennsylvania Hospital:**

Transfusion Service Committee Jul 2018-present

Laboratory Quality and Patient Safety Council Jul 2018-present

**Teaching and Clinical Responsibilities, including at Pennsylvania Hospital:**

**Assistant Instructor** Perelman University of Pennsylvania School of Medicine Jul 2017-present

**Research and Administrative Experience:**

**Research Collaborator** Department of Pathology, Children's Hospital of Philadelphia

Nov 2017- Dec 2018

---

**LEADERSHIP EXPERIENCE & ACADEMIC SOCIAL MEDIA NETWORK**

---

**CAP (College of American Pathologists) RF (Resident Forum) Representative**

Jun 2019- present

A delegate of College of American Pathologists (CAP) Residents Forum, a platform where pathology residents from across the country come together to learn about, discuss and act on important issues that affect residents with main goals of – networking, education, discussion, and action

**ASCP Career Ambassador 2.0**

Mar 2018- present

A member of volunteer network of laboratory professional, pathologist, and resident members and promotes careers in the medical laboratory in their communities, medical school, hospitals & fellow colleagues

**Academic Social Media Coverage**

**Medscape Conference News coverage of platform presentation**

<https://www.medscape.com/viewarticle/885879>

**Cancer Network coverage of platform presentation**

<https://www.cancernetwork.com/chronic-myeloid-leukemia/cml-treatment-during-pregnancy-could-increase-risk-congenital-malformation>
