

CAP Cancer Protocols Summary of Changes June 2025

	Protocol	Protocol Version Number	eCP Version Number	Summary of Changes
1	Ampulla of Vater AJCC 8th Edition Accreditation change	V 4.3.0.0	V 3.005.001	<ul style="list-style-type: none"> • Updates to cover page • Updates to content and explanatory notes including modifications to Tumor Site, Histologic Type, Tumor Site, Tumor Extent, and Margin Status for Dysplasia and Intraepithelial Neoplasia questions • Lymphovascular Invasion question updated to Lymphatic and / or Vascular Invasion • Perineural Invasion question updated from optional to required • Added required Treatment Effect question • Updates to pTNM Classification
2	Bladder Biopsy TURBT	V 4.3.0.0	V 1.008.001	<ul style="list-style-type: none"> • Clarification of Muscularis Propria (detrusor muscle) question to include “Present, negative for tumor” and “Present, involved by tumor” answer updates
3	Breast Biomarker	V 1.6.1.0	V 1.010.001	<ul style="list-style-type: none"> • Updated ER, PgR, and HER2 IHC Testing Methodology to conditionally reported
4	Colon and Rectum Resection AJCC 8th Edition Accreditation change	V 4.4.0.0	V 3.009.001	<ul style="list-style-type: none"> • Updates to Histologic Type question • Rectal Tumor Location, Tumor Budding Score, and Distance from Invasive Carcinoma to Distal Margin questions updated from optional to conditionally reported • Multiple Primary Sites question updated from required to conditionally reported
5	Distal Extrahepatic Bile Ducts AJCC 8th Edition Accreditation change	V 4.3.0.0	V 3.005.001	<ul style="list-style-type: none"> • Updates to cover page • Updates to content and explanatory notes including modification to Histologic Type, Tumor Size, and Margin Status for High-Grade Intraepithelial Neoplasia / High-Grade Dysplasia questions, and SPECIAL STUDIES section • Lymphovascular Invasion question updated to Lymphatic and / or Vascular Invasion • Addition of required “Treatment Effect” question • Updates to pTNM Classification
6	Ewing Sarcoma Biopsy	V 5.0.0.1	V 3.000.011	<ul style="list-style-type: none"> • Accreditation statement update • eCP explanatory note electronic link updates • Lymphovascular Invasion question updated to Lymphatic and / or Vascular Invasion

CAP Cancer Protocols Summary of Changes June 2025

7	Ewing Sarcoma Resection	V 5.0.0.1	V 3.000.011	<ul style="list-style-type: none"> • Accreditation statement update • eCP explanatory note electronic link updates • Lymphovascular Invasion question updated to Lymphatic and / or Vascular Invasion
8	Extragenadal Germ Cell Bx	V 5.0.0.1	V 2.000.011	<ul style="list-style-type: none"> • Accreditation statement update • eCP explanatory note electronic link updates
9	Extragenadal Germ Cell Res	V 5.0.0.1	V 3.000.011	<ul style="list-style-type: none"> • Accreditation statement update • eCP explanatory note electronic link updates
10	Gallbladder AJCC 8th Edition Accreditation change	V 4.3.0.0	V 3.004.001	<ul style="list-style-type: none"> • Updates to cover page • Updates to content and explanatory notes to include modifications to Histologic Type, Tumor Size and Margin Status for High-Grade Intraepithelial Neoplasia questions • Lymphovascular Invasion question update to Lymphatic and / or Vascular Invasion • Lymphatic and / or Vascular Invasion and Perineural Invasion questions updated from optional to required • Additional of required Treatment Effect question • Updates to pTNM Classification
11	Hepatoblastoma Bx	V 5.0.0.1	V 2.000.011	<ul style="list-style-type: none"> • Accreditation statement update • eCP explanatory note electronic link updates
12	Hepatoblastoma Res	V 5.0.0.1	V 4.000.011	<ul style="list-style-type: none"> • Accreditation statement update • eCP explanatory note electronic link updates
13	Intrahepatic Bile Duct AJCC 8th Edition Accreditation change	V 4.3.0.0	V 2.004.001	<ul style="list-style-type: none"> • Updates to cover page • Updates to content and explanatory notes to include modifications to Histologic Type and Tumor Size questions, and SPECIAL STUDIES section • Lymphovascular Invasion question updated to Lymphatic and / or Vascular Invasion • Perineural Invasion question updated from optional to required • Addition of required Treatment Effect question • Updates to pTNM Classification
14	Kidney Resection AJCC 8th Edition Accreditation change	V 4.2.1.0	V 3.006.001	<ul style="list-style-type: none"> • Lymphatic and / or Vascular Invasion (excluding renal vein and its segmental branches and inferior vena cava) question updated to Lymphatic and / or Small Vessel Vascular Invasion (excluding renal vein and its segmental branches and inferior vena cava)
15	Neuroblastoma Biopsy	V 5.0.0.1	V 2.000.011	<ul style="list-style-type: none"> • Accreditation statement update • eCP explanatory note electronic link updates
16	Neuroblastoma Resection	V 5.0.0.1	V 4.000.011	<ul style="list-style-type: none"> • Accreditation statement update • eCP explanatory note electronic link updates
17	Pancreas Exocrine AJCC 8th Edition	V 4.3.0.0	V 3.005.001	<ul style="list-style-type: none"> • Updates to cover page

CAP Cancer Protocols Summary of Changes June 2025

	Accreditation change			<ul style="list-style-type: none"> • Updates to content and explanatory notes to include modifications to Histologic Type and Tumor Size questions, and MARGINS and SPECIAL STUDIES sections • Addition of conditionally reported Pancreas Surface Involvement question • Lymphovascular Invasion question updated to Lymphatic and / or Vascular Invasion • Updates to pTNM Classification
18	Perihilar Bile Ducts AJCC 8th Edition Accreditation change	V 4.3.0.0	V 2.005.001	<ul style="list-style-type: none"> • Updates to cover page • Updates to content and explanatory notes to include modifications to Histologic Type, Tumor Size, Tumor Extent, and Margin Status for High-Grade Intraepithelial Neoplasia and / or High-Grade Dysplasia questions, and SPECIAL STUDIES section • Lymphovascular Invasion question updated to Lymphatic and / or Vascular Invasion • Addition of required Treatment Effect question • Updates to pTNM Classification
19	Rhabdomyosarcoma Biopsy	V 5.0.0.1	V 2.000.011	<ul style="list-style-type: none"> • Accreditation statement update • eCP explanatory note electronic link updates
20	Rhabdomyosarcoma Res	V 5.0.0.1	V 4.000.011	<ul style="list-style-type: none"> • Accreditation statement update • eCP explanatory note electronic link updates
21	Small Intestine AJCC 8th Edition Accreditation change	V 4.3.0.0	V 3.004.001	<ul style="list-style-type: none"> • Updates to content and explanatory notes to include modifications to Histologic Type, Tumor Extent, and Margin Status for Non-Invasive Tumor questions and SPECIAL STUDIES section • Addition of required "Treatment Effect" and "Perineural Invasion" questions • Lymphovascular Invasion question updated to Lymphatic and / or Vascular Invasion • Updates to pTNM Classification
22	Wilms Biopsy	V 5.0.0.1	V 2.000.011	<ul style="list-style-type: none"> • Accreditation statement update • eCP explanatory note electronic link updates
23	Diffuse Pleural Mesothelioma	V 5.0.1.0	V 4.000.012	<ul style="list-style-type: none"> • Updated Histologic Grade question to conditionally reported
