

## **Education and Training**

### **Massachusetts General Hospital Department of Pathology: July 2022 – Present**

- Anatomic Pathology Resident: July 2022 – June 2024
- Neuropathology Fellow: July 2024 – June 2026

### **University of Tennessee Health Science Center College of Medicine: August 2018 – May 2022**

- Doctor of Medicine

### **University of Tennessee, Knoxville, Master of Public Health: August 2014 – August 2016**

- Concentration in Community Health Education with a minor in Epidemiology
- Certified Health Education Specialist (CHES) – April 2018

### **University of Tennessee, Knoxville: Bachelor of Arts with Honors, August 2010 – May 2014**

- Major – College Scholars: An Interdisciplinary Study of Sociology, Psychology, and Media

## **Honors & Awards**

- American Association of Neuropathology Women and Diversity Travel Award: June 2023
- Alpha Omega Alpha (AOA) Honor Medical Society Member: September 2021
- University of Tennessee Health Science Center Bill and Sally Gore Memorial Scholarship: June 2021
- Tennessee Medical Education Fund (TMEF) Scholarship John H. & Marjorie Burkhart Medical Education Scholarship: May 2021
- University of Tennessee Health Science Center Dorothy Snider Scholarship: March 2021
- American Public Health Association 2020 Annual Meeting Student Scholarship: August 2020
- University of Tennessee Health Science Center The Earl and Virginia Hord Endowed Scholarship: June 2020
- University of Tennessee Outstanding Graduate Research and Service Award: April 2016
- American Public Health Association (APHA) 2015 Leadership Challenge Scholarship: August 2015
- University of Tennessee Scholarly and Research Incentive Funds (SARIF) Summer Graduate Assistantship: June 2015 – August 2015

## **Leadership Positions**

- Massachusetts Medical Society Member: August 2022 - Present
  - Resident and Fellow Section Governing Council Vice Chair: June 2024 – Present
  - Resident and Fellow Section Governing Council Member: July 2023 – Present
  - AMA RFS Delegate: November 2023 – Present
  - Massachusetts Delegation to the AMA, Resident Alternate Delegate: January 2024 – December 2024
- College of American Pathologists Resident Forum Delegate: February 2024 – Present
- Massachusetts General Hospital Department of Pathology Resident Interesting Case Conference Coordinator: July 2023 – May 2024

## **Research Experience and Presentations**

### **Massachusetts General Hospital Department of Pathology: September 2022 – Present**

- Mucinous Carcinoma of the Breast After Neoadjuvant Therapy
  - *Poster presentation at United States and Canadian Academy of Pathology Annual Meeting, March 2023*
- Neuropathological Findings in Immune-Mediated Encephalitides: An Autopsy Series
  - *Platform presentation at American Association of Neuropathologists Annual Meeting, June 2023*
- Interobserver Variability in Histologic Grading of Soft Tissue Leiomyosarcoma
- Immunohistochemical Characterization of Molecular Alterations in Extruterine Leiomyosarcoma
  - *Massachusetts General Hospital Department of Pathology Vickery-Colvin Grant Funding: October 2023*

### **West Tennessee Regional Forensic Center: June 2019 – July 2019**

- A 7-Year Review of Vehicular Crash Toxicology Data at the West Tennessee Regional Forensic Center
- *Oral presentation at Drugs and Driving Special Session at American Academy of Forensic Sciences Annual Meeting: February 2020*
- *Poster presentation at Tennessee Public Health Association Annual Meeting: September 2021*

### **Vanderbilt University: November 2016– February 2018**

- Trajectories of Physical Frailty in Home Health after Hospital Discharge (TOPFH-HD)
- Early Palliative Care Consultations for Geriatric Trauma Patients
- *Publication: “Receptivity of Hospitalized Older Adults and Family Caregivers to Prognostic Information about Aging, Injury, and Frailty: A Qualitative Study” accepted for publication in International Journal of Nursing Studies. Published September 2020, Volume 109. <https://doi.org/10.1016/j.ijnurstu.2020.103602>*

## **Work Experience**

### **Vanderbilt University School of Nursing: Research Analyst II, August 2016 – February 2018**

- Recruited patients for clinical research projects
- Prepared IRB documents for clinical research projects
- Assisted with educational community presentations for older adults

### **University of Tennessee, Department of Public Health: Graduate Research Assistant, August 2014 – August 2016**

- Assisted Dr. Cristina Barroso with a systematic review project on obesity control interventions
- Assisted Dr. Paul Erwin, Public Health Department Head, with coordination of the public health seminar for graduate students from August 2014 – April 2015

### **University of Tennessee, Department of Chemistry, Science Writer for the Research Experiences for Undergraduates (REU) Program: May 2014 – July 2014**

- As the science writer for the program, I wrote a profile describing each student’s research interests and future career goals, which was submitted to their local newspaper. The program was funded by the National Science Foundation.

## **Intern Experience**

### **West Tennessee Regional Forensic Center – Medical Student Intern: June 2019 – July 2019**

- This experience was an opportunity to learn about the role of the forensic pathologist and the process of death investigation. It also provided the opportunity to correlate gross anatomy with common disease processes and learn to appreciate normal and abnormal pathology at a microscopic level.
- *Preceptor: Erica Curry, MD – Medical Examiner*
- *Completed a research project, which was presented at the American Academy of Forensic Sciences Annual Meeting – February 2020*

## **Professional Societies**

- United States and Canadian Academy of Pathology: September 2022 – Present
- Massachusetts Medical Society: July 2022 – Present
- College of American Pathologists, Medical Student Member: March 2020 – Present

## **Study Abroad**

### ***Cloister to the College: The Birth of the University – Cambridge, England: May 2012***

My study abroad trip was centered in Cambridge, England. My studies focused on various aspects of English history, particularly the monastic lifestyle and practices that have contributed to the modern university-based educational system. Our readings and lectures were followed by visits to various historical sites, including Oxford, Canterbury Cathedral, Ely Cathedral, Bury St. Edmunds, and the University of Cambridge. I also had the opportunity for independent exploration in Cambridge and London.
