**How did you become interested in serving on the RFEC?**

I have been interested in the executive committee since I became the resident forum delegate for my program. I have seen and completely appreciate the impact that can be made with a standard approach to resident training, education and more importantly our wellness and wellbeing. The opportunities offered to us are manifold and I would like to be able to positively contribute towards the same.

**What do you hope to accomplish during your time, if elected?**

We all know communication is key, and I hope to be able to represent my fellow junior members in a transparent manner. Only a minor percentage of trainees currently make use of the multiple resources we offer, and I would like to enhance member engagement to ensure its proper and complete utilization. We also have a unique platform to address the concerns of our fellow colleagues, and I would like to make necessary decisions by coming up with creative solutions for the same. I also hope to learn and grow both personally and professionally from this experience.

**Please convey your understanding of the role of an Residents Forum Executive Committee member and their responsibility to the Residents Forum and the College of American Pathologists.**

As a Residents Forum Executive Committee member, we play a key role in representing, and advocating for residents' within the framework provided by the College of American Pathologists. We serve as a bridge between residents, their delegates and the CAP, and our role lies in effective planning, implementation, communication, and professionalism whilst ensuring our own career development.

**Please address the time commitment for the office in which you are interested and your ability to fulfill it.**

I am wholly committed to dedicating the necessary time and effort to fulfill the duties of a Digital Strategy Liaison, if elected. I understand that I will additionally serve on the Digital Content Committee under the Council of Membership and Professional Development. .

**What talents and skills do you bring to the Residents Forum Executive Committee that you believe would benefit the Residents Forum?**

I am currently a DEI fellow, Chair of the wellness committee, and Co-Chair of the social media committee in my residency program. I was also a member of the bargaining team for contract negotiations at my program. In the past, I was the Secretary for Women in Science, Engineering and Research (WiSER) during my postdoctoral days, and was on the editorial board during my med school days. I have an excellent and consistent leadership record and the necessary skills required to be the Digital Strategy Liaison of the RFEC.

**What else should the Residents Forum know about you?**

I am a to-be renal pathologist and an aspiring hematopathologist. Outside the hospital, I am a happy cat-caretaker to a cute tuxedo, and love spending time reading fiction :)
