

CURRICULUM VITAE

Hafsa Nebbache, MD
Resident Physician, Post Graduate Year 3
Department of Pathology and Laboratory Medicine
University of Kentucky College of Medicine

Office Address: 800 Rose Street, MS 117, Lexington KY, USA 40536-0298
Work Email: hafsa.nebbache@uky.edu
Personal email: hafsa.nebbache@gmail.com
Personal Fax: 423-264-2703

EDUCATION

Upcoming Fellowship

Cytopathology Fellowship, Memorial Sloan Kettering Cancer Center 2025-2026

Post-Graduate

Anatomic and Clinical Pathology Residency, University of Kentucky Medical Center, Lexington, KY,
[Expected Completion, 06/2025] 2021-Present

Professional/Graduate

Doctor of Medicine, University of Algiers Faculty of Medical Sciences Algiers, Algeria 03/2014

TEACHING AND MENTORSHIP ACTIVITIES

Mentorship and Residency Mock Interviews for Medical Students, College of American Pathologists (CAP)
11/2023

Educational Digital Pathology utilizing Whole Slide Imaging Digital Pathology, Gastrointestinal Pathology
Chapter, University of Kentucky Medical Center 04/2023

Residency graduate teaching responsibilities for medical students, Autopsy rotations. University of
Kentucky Medical Center 11/2022

Residency graduate teaching responsibilities for medical students, Surgical pathology rotation. University
of Kentucky Medical Center 07/2022

Orientation and training for new hires, Pathology Laboratory Assistants in the surgical pathology
laboratory, University of Kentucky Medical Center 04/2019

HONORS & AWARDS

Reason for Recognition

Excellence in Research Presentation Award, Department of Pathology Research Day, University of Kentucky, KY 04/2024

Engaged Leadership Academy Graduate and Engaged Leaders Network Member Certificate, College of American Pathologists (CAP) 11/2023

Foundation Leadership Development Award – Fall recipient Awardee, College of American Pathologists Foundation 2023 (CAP) 06/2023

Teamwork and Recognition by Coworkers, from Shadi Qasem, Star Program, University of Kentucky Medical Center 03/2020

Teamwork and Recognition by Coworkers, from Shawna Gail Baker and Amy Gewirtz, Star Program, University of Kentucky Medical Center 05/2019

Teamwork and Recognition by Coworkers, from Shawna Gail Baker, Star Program, University of Kentucky Medical Center 04/2019

PROFESSIONAL ACTIVITIES, PUBLIC SERVICE, AND PROFESSIONAL DEVELOPMENT

Memberships

Association of Molecular Pathology (AMP)	05/2024-Present
International Society of Breast Pathology (ISBP)	03/2024-Present
American Society of Cytopathology (ASC)	04/2024-Present
Papanicolaou Society of Cytopathology (PSC)	12/2022-Present
United States and Canadian Academy of Pathology (USCAP)	07/2022-Present
Digital Pathology Association (DPA)	07/2022-Present
College of American Pathologists (CAP)	07/2021-Present

Positions held

Chief Resident AP/CP, Pathology and Laboratory Medicine, University of Kentucky Medical Center 01/2024-Present

Medical Staff Operating Subcommittee, Resident Representative, University of Kentucky Medical Center 01/2024-Present

Resident Delegate Engagement Action Group Member, Resident Forum College of American Pathologists (CAP) 11/2023- Present

New in Practice CAP Committee, Member-J, College of American Pathologists (CAP) Board of Governors 10/2023-Present

Educational Development Subcommittee Member, Graduate Medical Education (GME), University of Kentucky College of Medicine 07/2023-Present

Graduate Medical Education Committee Member (GMEC), University of Kentucky College of Medicine 07/2023-Present

Resident/Fellow Graduate Medical Education Representative (GME) Department of Pathology and Laboratory Medicine	05/2023- 06/2024
Resident Forum Delegate, College of American Pathologists (CAP)	04/2023-Present
Social Media Manager, Official Twitter Account of the University of Kentucky Department of Pathology and Laboratory Medicine	03/2023-Present
Education Committee Member, Digital Pathology Association (DPA)	10/2021-Present

SPEAKING ENGAGEMENTS

Platform Presentation: Novel, Adult-Learning-Based Pathology Core Curriculum (PCC): Components, Correlations and Critiques of a Program Now in Place 4.5 Years, United States and Canadian Academy of Pathology (USCAP 2024)	03/2024
From Image to Diagnosis: Characterizing Sources of Error in Histopathologic Interpretation, The University of Kentucky, Pathology and Laboratory Medicine	09/2023
Molecular Subtypes of Small Cell Lung Carcinoma, Molecular Grand Round, The University of Kentucky, Pathology and Laboratory Medicine, Lexington KY	08/2023
Are We Underdiagnosing Hirschsprung Disease? Journal Club, The University of Kentucky, Pathology and Laboratory Medicine, Lexington KY	04/2022
Funisitis and Intraventricular hemorrhage/Periventricular Leukomalacia, Perinatal Pathology Grand Rounds, The University of Kentucky, Pathology and Laboratory Medicine, Lexington KY	04/2022
Antenatal Inflammation and Necrotizing Enterocolitis, Perinatal Pathology Grand Rounds, The University of Kentucky, Pathology and Laboratory Medicine, Lexington KY	05/2022
Hyaline membrane disease, Perinatal Pathology Grand Rounds, The University of Kentucky, Pathology and Laboratory Medicine, Lexington KY	10/2021
Myelodysplastic syndrome, Unclassifiable, Grand Rounds, The University of Kentucky, Pathology and Laboratory Medicine, Lexington KY	12/2021

Biphosphonate Therapy Masks the Histological Diagnosis of Primary Hyperthyroidism; Division of Nephrology, Bone, and Mineral Metabolism, Department of Pathology and Laboratory Medicine, University of Kentucky, Lexington KY

Publication in review

- Hippocampal-Sparing Whole-Brain Radiotherapy (HS-WBRT) for Metastatic Atypical Carcinoid: James Knight, Waleed F. Mourad, **Hafsa Nebbache**, Aradhana Kaushal
- Collagenous Gastritis in the Pediatric Population: A Single-Institution Experience. Jeffrey Jean, Meifang Wu, **Hafsa Nebbache**, Christopher LePhong, Moe Takeda, Yinan Fu, Shengmei Zhou, Larry Wang, Ali Nael, Nick M. Shillingford.

Publications in preparation

- **Hafsa Nebbache**, Emily Bachert, Breast Antibody Drug Conjugate Therapy. Pathology Outline topic in the Breast chapter

On Going Research

Identifying Key Features of the Tumor Immune Microenvironment in Small Cell Lung Carcinoma to Optimize Immunotherapy Selection

Principal Investigator: Dr Therese Bocklage

University of Kentucky Markey Cancer Center Grant 2023-2024

WORK EXPERIENCE AND VOLUNTEERING

Abstracts Scoring and review for Quality Improvement and Patient Safety Poster Forum, Graduate Medical Education (GME), University of Kentucky 03/2024

ACGME program reviews, Resident member, Graduate Medical Education (GME), University of Kentucky 05/2023

Participant in Pathologist Pipeline Champion Community, College of American Pathologists (CAP) 11/2023

Volunteer for Health session of Adulting 101, Lexington Public Library, Lexington, KY 01/2022

Surgical Pathology Laboratory Assistant, University of Kentucky Medical Center Lexington, KY

02/2019
Event management, Sanofi Aventis Annual Health Care Conferences, Hydra Algiers, Algeria
2013-2015

Volunteer in the formal middle school for vaccination campaigns, Ecole CEM Hassiba Ben Bouali, Bechar, Algeria
12/2007

EXTRACURRICULAR ACTIVITIES AND CREATIVE HOBBIES

Painting, oil on canvas and watercolor on cold press paper

Scuba diving courses, Club Plongée Oxygène, Bou Ismail, Algeria
